DETALHE DA ARMADURA DE BORDO LIVRE DA LAJE

The diagram shows a cross-section of a concrete slab edge. The main slab is labeled 'Laje'. The reinforcement at the bottom is labeled 'Armadura positiva (inferior)'. The reinforcement at the top of the edge is labeled 'Armadura de bordo'. A dimension line indicates the distance from the face of the slab to the center of the edge reinforcement, labeled as $\geq 2h$ ou $1b$. The view is labeled 'VISTA'.
